INTEGRATED STAKEHOLDER ENGAGEMENT

An aerial photograph of San Francisco, California, taken during the golden hour of sunrise. The Golden Gate Bridge is the central focus, spanning across the water. In the background, the city skyline is visible, including the Transamerica Pyramid and the San Francisco Bay Bridge. The foreground shows a harbor area with several large gantry cranes and a ship. The overall scene is bathed in a warm, golden light, creating a hazy atmosphere.

INNOVATION ECOSYSTEMS

INNOVATION ECOSYSTEMS

The SF Bay Area Innovation Ecosystem;

A culture that promotes the “ethos” of the innovator

- ✓ **“Freedom to Fail”**; failure is not a mark of shame; e.g. *FailCon*® since 2009
- ✓ **True respect and interest in diverse perspectives and life experiences**
- ✓ **Breaking down silos**; institutional & disciplinary
- ✓ **Intellectual Liberation**; creative exploration of ideas without judgment or discouragement
- ✓ **Optimism**; “nothing is impossible”
- ✓ **Open Idea Sharing**; too many ideas to copy
